

# ST PAUL'S POST

## Our birthday girls this week are:

<i>Patricia Carney -</i>	<i>14 November</i>
<i>Monica Higgins</i>	<i>14 November</i>
<i>Clare Looby</i>	<i>15 November</i>
<i>Gabrielle Cooney</i>	<i>17 November</i>

## **COSMIC GROUP MEETING, NOVEMBER 9-10, MINSTERACRES**

The Cosmic Priority Group met during the week at Minsteracres in order to discern together if and how we would continue, and below are the conclusions we came to after conversation and promptings from the Spirit:

- \* We unanimously agreed that we wanted to continue because we value our coming together as sisters, sharing, encouraging and affirming each other.
- \* We wish to deepen our understanding of "The New Story" and its implications for our lives. We each take responsibility for making a contribution to this.
- \* We have opted to meet 3 times a year, (Oct, Feb & May/June) with our next meeting taking place on February 8-9, 2017.
- \* Anything of interest will be made accessible to all of our sisters through St Paul's Post.
- \* We have agreed to meet at one of our care homes as a step towards wider communication and have booked a date of May 25, 2017 to meet at Lytham.
- \* We will suggest to the PLT that meetings such as the above will take place at our four care homes to ensure ALL of our Sisters have the opportunity to take part in matters concerning both Province and Congregation.
- \* Finally, the Cosmic Group would like to invite you all to take a look at the SUPERMOON **today**, about 5 pm. It will be the time when the moon is nearest the earth and will not happen again until 2034.

WHERE MIGHT WE BE THEN??

*Lovingly, the Cosmic Group: Cecilia, Annie, Pat, Martin, Eily May*

Fr Christopher Kelly CP spent a few days at The Briery while visiting his friends and relatives. He came with Ged, who is responsible for the care of our Passionist Brothers. Our Parish Priest, Kieran Heskin, who knew Fr Christopher from the time he spent at Myddleton Lodge, gave him a great welcome when he spotted him at Mass in Elmleigh saying how wonderful it was to see the "Ancient of Days" back in Ilkley. Fr Christopher is 91, and although recently in hospital he has a new lease of life driving around Highgate cemetery on his electric scooter and ministering to all and sundry!
